CONSTRUCTION & FACILITY

Work instruction Toilets – Tiled walls

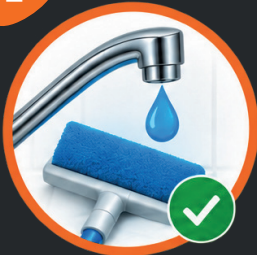

1

Do not use cleaning products

Never use never cleaning products on the tiled walls. Water only.

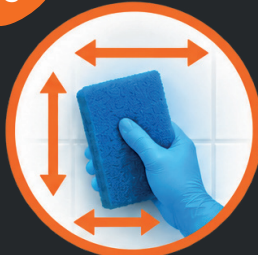

2

Moisten lightly

Moisten the squeegee / Doodlebug only lightly. Do not make it too wet.

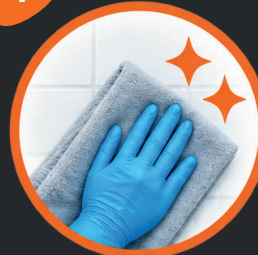

3

Clean the entire wall

Clean the entire tiled wall, from top to bottom and from left to right. Use a small, easy-to-handle squeegee / Doodlebug.

4

Always wipe dry

Wipe the wall immediately after with a clean, dry microfibre cloth. This prevents streaks and cleaning errors.

Not this way

No cleaning product on the

wall

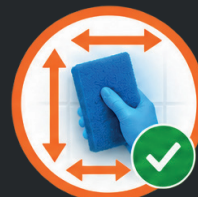

Do not make it too

Do it this way

Lightly damp

Entire wall systematically

Always wipe dry

Important!

No cleaning products

Only lightly damp

Do not make it too wet

Do not skip any areas
